Center Fitness Club Group Fitness Descriptions

Cardio, Balance, Core and Strength Formats

BodyShred: This high-intensity class uses intervals of cardio, strength and abs to give you a quick, effective workout.

HIIT: High Intensity Interval Training workout consists of intense cardio, strength training, stretching and balancing.

Interval Training: Combines short, high intensity bursts of cardio and recovery phases, repeated during one exercise session to provide a complete workout.

In-trinity: In-Trinity is an elevated fitness board and training program designed to build strength, balance, flexibility, coordination and agility.

Intro to the Concepts of Krav Maga: An effective athletic training program utilizing the discipline of Krav Maga. We cover basic sparring techniques, deterring conflict, situational awareness and learning how to use defensive and offensive maneuvers.

PelviCore: Ground exercises utilizing the PelviCore ball will help strengthen and stabilize your core.

Strength and Strength Express: An intense muscle conditioning class targeting every muscle group in just 45 minute or 60 minute classes!

Triple Threat: Boost your fitness in a high-intensity, full-body strength & conditioning workout that will challenge your inner fitness warrior!

TrueFit: Blending speed, power and agility - a low-impact, fat-torching, muscle-sculpting and core centric-interval workout.

WERQ: The wildly addictive cardio dance workout based on the hottest pop and hip hop music.

Pilates and Foam Roller Formats

Pilates & Pilates with Props: A core-centric workout, this class is a fusion of mat Pilates, arms, legs, gluts and abs routines for progressive core strengthening! Instructors use Pilates ring, ball and resistance bands to enhance your workout.

Functional Flexibility & Myofascial Release: Work through a series of deep stretches for increased flexibility & muscle release.

Therapeutic Stretch: A body-prep for the following Pilates class, Therapeutic Stretch will warm up the body for better performance.

Spin Class Formats

Spin/Spin Challenge/Spin Express: This class uses stationary cycles with motivating music to improve your cardiovascular system and burn calories, with no impact on joints and bones. Instructors guide participants through workout phases: Warm-up, sprints, climbs, up tempo cadences and cool-down techniques.

YOGA Formats

Hatha Yoga & Yoga: Instructors use postures, breathing techniques and meditation with the goal of bringing about a sound, healthy body and a clear, peaceful mind. Diverse poses promote a supple spine, blood circulation, and also stretch and align the body improving balance and flexibility.

ZUMBA Formats

Zumba: Zumba uses a variety of styles in its routines, including cumbia, merengue, salsa, reggaeton, hip-hop, pop, mambo, rumba, flamenco and calypso. Music selections include both fast and slow rhythms to help tone and sculpt the body with easy to follow dance moves! No dance experience required.

Zumba Gold: What makes this class "Gold" is that it is designed for those in their "Golden Years," although it is open to all.

SeniorFit Classes

Chi Gong/Tai Chi: Tai Chi originated as a martial art. Its current popular form is Tai Chi Chuan, a 24 position exercise set that combines flowing movements with deep breathing.

Joints in Motion: Exercises strengthen and protect the body's joints by building the muscles around the joints for greater stability. These exercises aim to keep a joint's range of motion at its best.

Heart Plus & Heart Plus Express: Focus on strength, balance, core stability and posture using a variety of fitness equipment.
