

Fall 2017

Dear McKenzie Parents,

New fall After School Club setup! You can now register for BOTH Fall I and Fall II After School Clubs together. Attached you will find registration and class information for the Fall I and Fall II sessions of McKenzie After School Clubs through the Wilmette Park District. Our **Fall I session** runs from **September 6 – October 13**. **Fall II** runs from **October 16 – December 22**. Classes are 4–9 weeks long, depending on the season and day of the week.

All participants can register through the Wilmette Park District starting on Tuesday, August 22 at 9:00 am. If you do not currently have a household account with the Park District, please set one up prior to August 22. Please note that this information is only on the Wilmette Park District website and not in our Explore Guide. **The registration deadline for both sessions will be two business days before the club is scheduled to start.**

The Park District will have an On-Site Coordinator at McKenzie School from 3:00 pm through end of classes and pick-up. Children are expected to be picked up on-time. Parents will incur a late fee of \$10 for every ten minutes they are late to pick-up. To reach the On-Site Coordinator, please call 224-725-7400 starting at 3:00 pm, only while After School Clubs are in session. If you need to reach someone outside of the After School Club time, please contact Jen Bolich at 224-725-8217.

Students will be dismissed from their classroom and checked in at the cafeteria by the After School Club Coordinator immediately after 3:15 pm dismissal. Students registered for Friday classes will be supervised by school staff and must stay in school until the start of class. The children will be dismissed from the front entrance of school at the end of class.

****Please note:** After School Clubs are not guaranteed to run unless they meet their minimum registration requirement. Minimum requirements vary for each club. **Clubs are not meant to substitute for childcare.**

In compliance with the school snack policy, children may only bring a fruit or vegetable snack to have prior to class starting. The Park District will not be providing any snacks.

If you have any questions please contact me at jbolich@wilpark.org.

Sincerely,

Jen Bolich
Recreation Activity Coordinator
Wilmette Park District

BOYS BREAK DANCE by Chicago Loves Dance

Under the creative direction of skilled Chicago Loves Dance break dancers, students will learn choreography and poses show off their creativity in free-style sessions, and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and should be FUN! We pride ourselves on teaching the self-esteem and socialization needed in everyday life through the activity of dance and performance. The last day of the class will be a parent watch day where dancers will do a short performance to show off their new talents.

CHESS ENRICHMENT

Learn to play and enjoy the Sport of the Mind – CHESS. This is an exciting class that takes the student to a new level of expertise. Whether they are beginners or continuing and competitive, the lessons are geared to enhance each student's level of play. Studies continue to confirm that the student that plays and studies chess does better academically. Chess will develop analytical and critical thinking skills, decision making, responsibility for choices, sportsmanship, focus, concentration, and patience in all they do. They will be studying opening theory, middle game planning and endgame combinations, plus tactics and strategies to enhance their skill set.

DODGEBALL by Hot Shots Sports

Dip, dodge, duck, and throw! This class, instructed by Hot Shot Sports, provides participants with an opportunity to play the popular game in a safe and supervised environment. The program uses super-soft balls, and safety will be stressed. Each week, players will learn new variations of the game to keep the class fresh and fun. Time limits are placed on all games, so no participant ever sits out too long.

GIRL POWER YOGA by Mission Propelle

Mission Propelle empowers girls in elementary school to discover who they are, what they believe, and how to advocate for themselves. We accomplish this through an after-school program that combines yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness and self-confidence as they practice yoga. They learn how to solve problems by reading original storybooks starring Dottie Tov, a relatable and age-aligned female protagonist. Throughout class, girls learn to apply leadership skills in their everyday lives as they receive situation-based mentorship from trained instructors. All girls receive digital downloads of the original storybooks each week!

BEGINNING GOLF by the Wilmette Golf Club

Looking to swing a golf club and hit a few putts this fall? This golf class will teach the basic golf fundamentals to junior golfers, preparing them for the real thing outside. We will use indoor equipment and artificial putting greens to enhance each golfer's skill set. The main goal is to provide a fun learning atmosphere while teaching kids the proper way to swing a golf club. Join us for 6 weeks and have a blast!! The instructor will be Scott Yopchick.

LET'S BUILD IT

The ball rolls down the ramp, that turns the switch, that moves the post, that activates the zip-line, that knocks the ball down the ramp and into the goal! In this STEAM program, students will be building Rube Goldberg "Mouse Trap" chain-reaction machines featuring levers, pulleys, and other simple machines. Engineering and physics concepts will be introduced and reinforced through hands-on, innovative lessons and creative play time. Problem-solving skills and teamwork will be put to the test as the complexity of the projects increases from week to week. On the final class, there will a building competition - How many contraptions can you connect in the chain reaction? No previous experience is necessary ... just a desire to learn and build. Each student will receive an award on the last day of the session and will have the opportunity to earn Energy Belts to demonstrate their learned skills!
