BENEFITS OF PERMANENT COURT TIME

It's guaranteed. Permanent Court time gives you a regular time to play. The court is yours—no phone call needed to see if a court might be available.

It's convenient. You select your day and time. Plan ahead for the entire indoor season.

It's your group. Invite your own group of players to join you for the season.

It's social. You may invite guests or other members to play in your group. Reasonable guest fees apply.

It's flexible. If your schedule changes, put your court time up for sale. The helpful front desk staff will do their best to sell the court. If sold, you'll be credited the court fee.

HOW TO PURCHASE PERMANENT COURT TIME

4 Easy Steps!

Step 1

Organize your group for the fall.

Step 2

Complete the Permanent Court Time Lottery and Wilmette Tennis Club Membership applications by Sunday, April 15 at 7 p.m.

There are two ways to enter:

- Enter a Principal Signer and a Co-Signer together. Both parties agree to be financially responsible for the court fees. The Principal will receive two bills (the first in July and the second in December).
- Enter the lottery as a Single Principal, with no Co-Signer. NOTE: For Single Principals, the entire court fee for the year is due at the court selection event on Sat., April 28.

Step 3

Lottery numbers are assigned randomly. You will receive a postcard in the mail with your assigned April 28 court selection time.

Step 4

Attend the Permanent Court Time selection event on April 28, at your assigned time. Select the perfect court for your group. NOTE: Pay the \$50 deposit to hold the court unless you are entering the lottery as a Single, in which case you will pay for the entire season of court time.

LOTTERY NUTS & BOLTS

- Members may enter the lottery one time only.
- Applicants with a past due account will not be allowed to enter the lottery.
- Spouses not intending to play together should not submit an application together. Submit an application with the person with whom you will be playing.
- Lottery numbers are assigned in the following order:

1st: Resident Category—includes Wilmette residents who sign up with another resident, or a resident signed up as a Single. Residents who did not enter the lottery will be permitted to select a court before non-residents.

2nd: Non-Resident Category—includes Wilmette residents who sign up with a non-resident; non-residents who sign up with another non-resident; and non-residents who sign up as a Single.

- Players scheduled on Permanent Court Time must be members, or pay guest fees.
- You may receive a credit for unused court time: you may put your court time up for sale, and every effort will be made to sell it. If the court time is sold, a credit will be issued to the Principal Signer.

- Tennis is the perfect cardio! Enjoy an hour and a half with friends, while relieving stress and earning your daily steps.
