Dear Camper and Parents:

Welcome to After-Camp Recreation at the Wilmette Park District! **Camps begin the week of June 14th.** Whether your child is a first year camper or a summer veteran, we know they will have a great time and meet new friends!

A copy of the general camp information manual, a camp-specific manual and medication form can be found by clicking the following link: www.wilmettepark.org/camp-manuals-forms.

Once on the camp page, click on After-Camp Recreation manual.

The manuals are designed to answer questions you may have prior to the start of camp. Please review the information for first-day procedures, daily routines and other details about your camp.

Camper Information Data will be collected online through your household account. The information only needs to be filled out once per camper regardless of how many camps they attend. Moving forward it will only need to be updated when there is a change in your camper's information. This information needs to be completed by **June 7th**.

To begin the process click the link below:

<https://register.wilmettepark.org/wbwsc/webtrac.wsc/login.html?LoginRedirect=household.html&LoginRedirectParam1=option&LoginRedirectValue1=update>

1. You will be prompted for your household username and password
2. After login you will be taken to the Camper Information Data screen
3. Fill in information for each child attending summer camp. Years prior these questions were previously filled out on the Camp Emergency Form
4. After entering information for **ALL** of your children attending camp click **SAVE** before exiting screen.

Beginning June 14th, the camp director can be reached via email at aftercamprec@wilpark.org. Email will be checked at the start and end of each camp day so we can respond to any questions/concerns in a timely fashion.

We are looking forward to providing a great summer camp experience for your child.

Sincerely,

Stephanie Tandaric
