

COVID-19 RESTRICTIONS & PRECAUTIONS:

The following are temporary safety measures we are requiring during the COVID-19 Pandemic. Please note these restrictions are subject to change as directed by county and state health organizations.

- All attendees are required to wear a face covering at all times, in the gym and the party room.
- Coaches wear face coverings at all times.
- Attendees will be asked to use hand sanitizer before entering the gym, every 15-20 minutes during the gymnastics portion of the party and before going up to the party room.
- The gym mats are disinfected twice daily.
- The drinking fountain is available ONLY to use the water bottle filling feature.
- For the safety of our party goers, we are limiting the serving of food to either cupcakes OR cake. Other pre-wrapped, store bought foods may be sent home with attendees.
